## Principal's Message

It has been another busy week at our beautiful school. Different exciting things have been happening in the classrooms and around the school. Please keep an eye out on the upcoming calendar events this term. This term the students will continue to focus on using respectful language towards others and being responsible in the school environment by staying in the correct school areas. These focusses will be discussed in the classroom, playground and all areas of our school environment. Our Bronze Award Rewards Lunch for Term 1 will be occurring during Week 4 to acknowledge students who have followed these focus areas in Term 1 and continue to be both respectful and responsible students. Congratulations to these remarkable students.

### Communication – Sentral Parent Portal

The executive and staff have listened to the school community through the information received from discussions with parents, survey results and as promised, Tweed Heads South Public school will be delighted to introduce '**Sentral for Parents**' this term. This exciting new communication platform will keep you fully informed about everything happening at our school and make it easier than ever for you to manage your child's education - anytime, anywhere. The Parent Portal can be accessed via computer or device app. The portal will provide information about school activities (daily bulletins/messages, weekly calendars), student progress and allows access to reports, newsletters, school documents and more. Parents will be able to enter reasons for absences, download permission notes, book interviews with your child's teacher and make payments through the website. This platform will help every parent stay connected and informed about your child's education.

### Cross Country Congratulations

I wish to extend my congratulations to all the students who participated in the THSPS cross country carnival. What a great 2 – 6 community event. Thank you to Mr Chamberlain and all the THSPS staff as well as the large parent support group for their contribution on the day. I wish all our competitors the best of luck at the next level of competition.

### PSSA

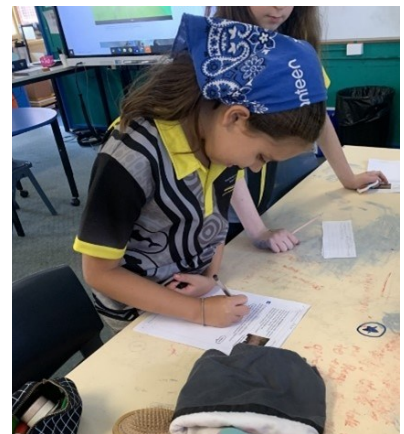

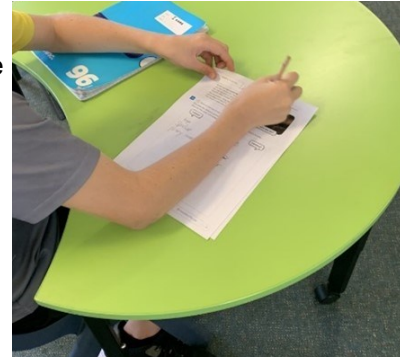

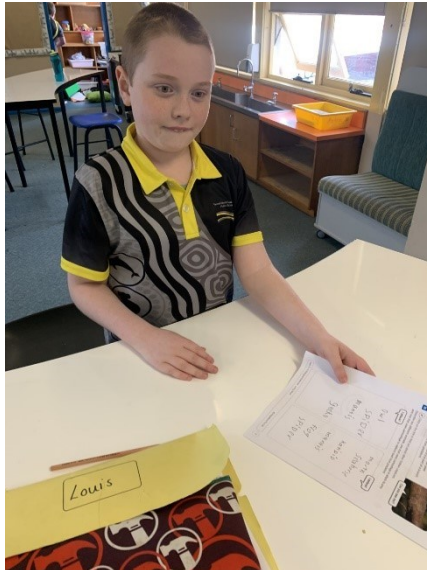

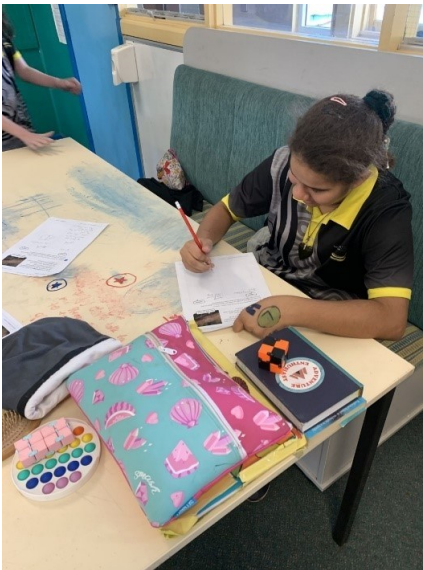

Good luck to all the students participating in various sporting competitions, district carnivals, individual students who have been selected in North Coast PSSA team events at NSW PSSA State Carnival (Quade and Izaak) in the next few weeks. Thank you to all the teachers who have worked hard in preparing the students for these competitions and for all the parent support of all the students at these events. Hope our families and students have a wonderful week ahead.

Warm regards

Felicity Henderson (R/Principal)

## Class check in

In Term 2 Maara have been picking up where we left off in Term 1 in our science lessons, learning about the amazing adaptations that many animals around us use to survive or hunt for prey. We've also started the term consolidating our sense of number in our maths lessons and getting quicker at our basic arithmetic. Literacy has seen us beginning our investigation into persuasive texts and how authors make an argument using character and various literary techniques.

## Healthy Grab and Go Snacks

### Nutrition Snippet

#### HEALTHY GRAB-AND-GO SNACKS

Making homemade snacks can be cheaper, healthier and better for the environment, but sometimes you just need a **grab-and-go snack** that is not packed with sugar, salt and saturated fat.

# ANZAC Day

ANZAC Day 2023 marked 108 years to the day when Australia and New Zealand troops landed at ANZAC Cove.

To show their support, students from Tweed Heads South Public School accompanied by teachers and families marched alongside Veterans, Aussie servicemen and women to the memorial in Chris Cunningham Park, Tweed Heads.

Students wore their school shirts proudly while taking part in the ANZAC Day morning service march.
